SUBJECT : 2023 UNITED ASSEMBLY AND DIRECTION SETTING OF EC ALLIED ORGANIZATIONS

Greetings of Peace and Solidarity from PHILRECA!

From the creation of the EC Allied Organizations (ECAOs) to represent the various sectors of the rural electrification movement, PHILRECA has guided and supported the ECAOs through registration with the SEC, organizing their national officers and regional clusters through elections, membership, trainings, conventions, among others.

Through the years, we have supported our ECAOs to get organized to promote the goals of our advocacy. We have also encouraged the planning of their annual plans and programs or strategic initiatives to ensure organized and productive conduct of activities in the respective sectors of the ECAOs that would allow maximum learning and development.

With the new year, the Association would like to meet with all its ECAOs to review, assess, and conduct direction setting, among others. In this light, we would like to **invite all EC Allied Organizations and their national officers** to the **2023 United Assembly and Direction Setting of EC Allied Organizations** on **January 30, 2023, 1:30 PM** which will be held virtually via Zoom.

"United We Stand, We Stand United."
