SUBJECT : PHILENERGY EXPO "EMPOWERING INNOVATIVE ENERGY SOLUTIONS IN THE PHILIPPINES" ON MARCH 22-24, 2023

Greetings of Peace and Solidarity from PHILRECA!

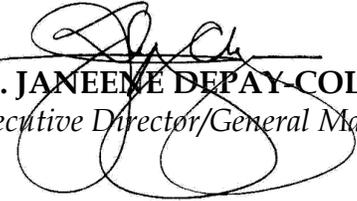

As the Association supports the drive to strengthen capacity building, knowledge, skills, and expertise in the energy sector, kindly be informed that PhilEnergy will be having an Expo entitled "Empowering Innovative Energy Solutions in the Philippines" on March 22-24, 2023 at SMX Convention Center, Pasay City, Metro Manila.

One of the sessions on March 22 will focus on "Supporting the Energy Transition in ASEAN with Sustainable Urban Energy" and will include discussions on renewable energy potentials, district cooling, distributed energy and panel discussions as well a Q&A session. You may refer to the full programme in this link: <https://www.philenergyexpo.com/technical-seminars/>

Registration to the expo is **FREE**. You may register your participant via PhilEnergy's website with the link provided above. Kindly choose "Register Visit" in the upper right corner of the website or "Visitor Registration" on the last portion of the page to register.

Thank you.

Respectfully Yours,

ATTY. JANEENE DEPAY-COLINGAN
