SUBJECT : CALL FOR COMMENTS ON THE PROPOSED AMENDMENTS OF THE PHILIPPINE SMALL GRID GUIDELINE (PSGG)

Greetings of Peace and Solidarity from PHILRECA!

This is in reference to the recently concluded Focus Group Discussion (FGD) by the Energy Regulatory Commission (ERC) last March 1, 2023, at the Linden Suites, San Miguel Ave, Ortigas Center, Pasig City. The event serves as part of the initial consultations in preparation for the conduct of the pertinent rule-making process as provided under Resolution No. 01, Series of 2021, entitled "A Resolution Adopting the Revised Rules of Practice and Procedure of the Energy Regulatory Commission" **in preparation for the amendments of the Philippine Small Grid Guidelines (PSGG)**. As mentioned during the FGD, the ERC will wait for the comments, recommendations with the corresponding justification and additional inputs on the proposed amendments.

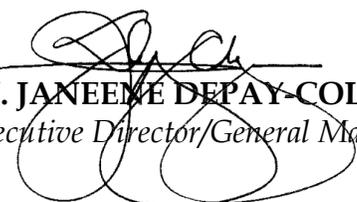

In view of the foregoing, we highly encourage you to review and provide your insights and comments using Annex B, Table of Proposed Changes, which is attached to this letter.

We would appreciate if you could provide us your comments and recommendations **not later than March 16** at core@philreca.org.

For further inquiries, your staff may get in touch with Engr. Kenjie Fagyan at 0965.533.3318 or reach us at core@philreca.org.

Thank you.
